

Medical Benefits w/ Pharmacy

We offer two medical plans, both through Cigna. One is the Open Access plan “PPO” with in and out of network benefits. The other is also an Open Access plan with in and out of network benefits, but also is a Consumer Driven Health Plan (CDHP) with a Health Savings Account (HSA).

Dental Benefits

Delta Dental PPO plus Premier offers services provided by dentists participating in the Delta Dental PPO and Premier networks as well as non-participating dentists. Preventive care, two annual routine visits are covered at 100%. Basic services such as filling are covered at 80% after deductible if the provider is in the Premier network and at 90% after deductible if the provider is in the PPO network. Major services such as crowns are covered at 50% after deductible in the Premier network and at 60% after deductible if the provider is in the PPO network.

Vision Benefits

EyeMed vision covers annual eye exams at no cost in network and discounts on lenses, frames, hearing exams and hearing aids. Out of network benefits are also available at a higher cost.
