FSA BALANCE & \$550 ROLLOVER TO 2022

If you are enrolled in the Healthcare Flexible Spending Account (**FSA**) this year, the plan does have the \$550 rollover feature. Therefore, if you have \$550 or less remaining in your FSA and elect the FSA (Health or Limited Health) for 2022, the \$550 or less will rollover into 2022.

If you have more than \$550 remaining in your FSA, and do not have any medical, pharmacy, dental or vision costs to submit for reimbursement, you can make purchases with your funds on the FSA Store online. Please visit www.FSASTORE.com.

To check your FSA balance, please visit www.DiscoveryBenefits.com or call 1-866-451-3399.
